ECC

The Association for the Capital Projects Engineering & Construction Community

BECOME A SPONSOR

2027 ECC SPONSORSHIPS

Put Your Organization at the Center of Capital Projects Conversations

For more than 50 years, the Engineering and Construction Contracting Association (ECC) has brought together leaders across the capital projects industry to exchange perspectives, strengthen relationships and advance project delivery.

ECC Sponsorship extends that connection throughout the year, creating opportunities for your organization to engage senior leaders, develop emerging talent and stay connected to the issues shaping the industry.

THE VALUE OF ECC SPONSORSHIP

More Than Visibility. Meaningful Industry Engagement.

Connect Your Leaders

Bring senior leaders into focused conversations with peers from owner, contractor, supplier and partner organizations.

Develop Emerging Talent

Give a rising leader from your organization opportunities to broaden their industry perspective, strengthen leadership skills and build relationships across the ECC community.

Stay Close to the Issues Shaping Capital Projects

Engage with timely insights on project performance, innovation, leadership, economics, risk, collaboration and the forces shaping the future of the industry.

Build Year-Round Presence

Maintain visibility and engagement across ECC programs, events and communications throughout your sponsorship year.

ANNUAL ECC SPONSORSHIP | $8,500

Your sponsorship begins when you commit.
Because ECC offers opportunities to connect, engage and develop leaders throughout the year, the earlier you join, the more opportunities your organization has to participate and benefit.

Annual Sponsors receive:

- Access to Spring and Fall Sponsors Only Sessions, closed forums for executives and other senior leaders, with the opportunity to register up to two eligible participants per session at no additional cost*
- Opportunities to connect with ECC leaders, peers and fellow Sponsor organizations through year-round networking, programming and engagement
- Year-round Sponsor recognition, including logo recognition and a link on the ECC website
- Logo recognition in select ECC event materials and on-site at key ECC events, including ECC Extra, Sponsors Only Sessions and the Annual PerspECCtives Conference
- Access to additional event-specific sponsorship and visibility opportunities throughout the ECC year
- One complimentary Annual PerspECCtives Conference registration for an eligible first-year Future Leader
- The opportunity to nominate one new participant for the ECC Future Leaders Program, providing year-round development and engagement through professional development, committee involvement, industry networking and ECC programming
- 25% discount on Annual PerspECCtives Conference registration for eligible second- and third-year Future Leaders from returning Sponsor organizations
- Complimentary registrations for eligible first-, second- and third-year Future Leaders to dedicated Future Leader programming at ECC Extra, the Mid-Year Meeting and the Annual PerspECCtives Conference
- Opportunities to participate in ECC community events throughout the year, including Future Leader-led networking and fundraising events that support the ECC Scholarship Program

PREMIER ECC SPONSORSHIP | $12,000

Premier Sponsorship includes all benefits above in the Annual Sponsorship, plus:

- Enhanced Sponsor recognition at ECC Extra and the Annual PerspECCtives Conference
- Two complimentary registrations to ECC Extra
- The opportunity to register up to three eligible executives or other senior leaders for each Spring and Fall Sponsors Only Session at no additional cost*

Event Sponsorship

Annual and Premier Sponsors can further extend their organization's visibility and engagement at the Annual PerspECCtives Conference through additional event-specific sponsorship opportunities.

Event sponsorships are available only as add-ons to Annual or Premier Sponsorship.

**Sponsors Only Session participation is subject to eligibility, availability and published registration deadlines. Registration is not guaranteed.*

ECC Sponsors Only Sessions

Shape Today's Conversations

Senior-Level Perspective. Candid Exchange. Practical Value.

ECC's Spring and Fall Sponsors Only Sessions bring together executives and other senior leaders from sponsoring organizations for focused, peer-to-peer dialogue on the issues influencing capital projects and business performance.

These closed sessions go beyond traditional presentations. Participants exchange perspectives, challenge assumptions and explore practical ideas in an environment designed to encourage candid discussion and meaningful connection.

Programming addresses timely business and industry issues, including project performance, leadership, collaboration, economic forces, risk, technology and workforce challenges.

When appropriate, discussions are held under the Chatham House Rule to encourage open exchange among participants.

Sponsor Participation

Annual Sponsors: Opportunity to register up to two eligible executives or other senior leaders for each Sponsors Only Session at no additional cost*

Premier Sponsors: Opportunity to register up to three eligible executives or other senior leaders for each Sponsors Only Session at no additional cost*

Current ECC Future Leaders are not eligible to participate in Sponsors Only Sessions.

**Participation is subject to eligibility, availability and published registration deadlines. Registration is not guaranteed.*

ECC Future Leaders Program

Develop Tomorrow's Leaders

Invest in the People Who Will Shape What Comes Next.

The ECC Future Leaders Program gives Sponsor organizations a meaningful way to invest in emerging talent while bringing new voices and perspectives into the capital projects conversation.

Each Sponsor organization may nominate one eligible emerging professional to participate in a multi-year experience designed to broaden industry knowledge, strengthen leadership and communication skills, and build meaningful relationships across the ECC community.

Through the program, Future Leaders have opportunities to:

- Connect with leaders and peers from across the capital projects industry
- Build relationships across owner, contractor, supplier and partner organizations
- Broaden their perspective on the issues shaping projects, organizations and the industry
- Strengthen leadership, presentation and communication skills
- Contribute ideas and perspectives to ECC programming and initiatives
- Participate in dedicated Future Leader programming at ECC Extra, the Mid-Year Meeting and the Annual PerspECCtives Conference

Tomorrow's industry leaders are already in your organization. ECC Future Leaders gives them a broader platform to learn, connect and grow.

Where the Capital Projects Community Comes Together

ECC connects owners, contractors, suppliers and industry partners through differentiated and relevant programming, candid discussion and meaningful relationships throughout the year.

1,000+ Annual Conference Attendees

The Annual PerspECCtives Conference brings together leaders from across the capital projects community for mainstage thought leadership, focused forums and relationship-building opportunities.

ECC programming combines the experience of capital projects practitioners with perspectives from leading voices in business, leadership, economics, technology and global affairs.

Conversations That Matter

ECC explores the issues shaping project performance today and the ideas influencing how projects will be planned, led and delivered tomorrow, including:

- Project excellence and execution
- Innovation and emerging technology
- Leadership and talent
- Collaboration and contracting
- Economics and geopolitics
- Resilience, uncertainty and risk
- Business and industry transformation
